

**Teragren Worktop/Counter/Butcher-Block Products: Effective February 15th, 2011**

**Distributed by: Eco-Smart, Inc. (888)329-2705 ph / (941)377-9460 fx / info@eco-smart.com**

Environmental Certifications and Adhesive Classification	CERTIFICATION	CERTIFICATION DESCRIPTION
	SCS INDOOR ADVANTAGE™ GOLD (IAG) CERTIFIED	SCS® Indoor Advantage® Gold Certified to CA 01350 Standards for emission levels of 78 Volatile
	FLOORSCORE® CERTIFIED LEED 4.3	FloorScore® Certified to CA 01350 Standards for emission levels of 78 Volatile Organic Compounds.
	NAF ADHESIVE	Manufactured using a NAF (No added Formaldehyde) adhesive system. Meets criteria for LEED IEQ 4.4, Low-Emitting Materials - Composite Wood and Agrifiber Products.
	NAUF ADHESIVE	Manufactured using a NAUF (No added Urea Formaldehyde) adhesive system. Meets criteria for LEED IEQ 4.4, Low-Emitting Materials - Composite Wood and Agrifiber Products.
ULEF ADHESIVE	Manufactured using an Ultra-Low Emitting Urea Formaldehyde adhesive system. Teragren's proprietary manufacturing adhesive emits less formaldehyde than allowed by U.S. OSHA, European	

**CARB:** California Air Resources Board. All Teragren Bamboo products are 100% Bamboo and therefore exempt from CARB regulations which apply only to composite wood products. Although exempt, all Teragren products comply with CARB Phase 2 maximum emission limits of .04 PPM of Formaldehyde. Teragren products emit a maximum of .03 PPM of Formaldehyde, and have average emissions of .02 PPM Formaldehyde.

**FSC-PURE:** Teragren Traditional (non-Strand) products are now available by special order, manufactured from 100% FSC (Forest Stewardship Council) certified bamboo from an FSC-certified forest and sold and/or processed by an FSC chain-of-custody certified supply chain. Please call your Teragren Salesperson for pricing and availability. FSC Chain of Custody Certificate Number: SCS-COC-002912. FSC Products will incur a 5% up-charge. Minimum orders for FSC products: Panels, Veneer, Worktop/Countertop/Table Tops: 1 pallet or 2500 pounds (whichever is greater)

**PF:** Prefinished

**UF:** Unfinished (finish must be applied at job site)

**FGC:** Flat Grain Caramelized : **FGN** = Flat Grain Natural : **VGC** = Vertical Grain Caramelized : **VGN** = Vertical Grain Natural

**STOCKED:** Supportive inventory only - Teragren inventory quantities are designed to be and will be allocated on a priority basis to stocking distributors

**NEW OR UPDATED PRODUCT**

**NON-STOCK:** Available by special order. Timing for most special orders is 8-12 weeks including shipping. Air freight quotes are available. Minimum orders are 1 pallet or 2500 pounds (whichever is greater). Non-stock veneer: Call for minimum order.

**SPECIAL ORDERS:** Custom sizes available. Many products available manufactured with a NAF adhesive. Timing for most special orders is 8-12 weeks including shipping. Air freight quotes are available. Minimum orders are 1 pallet or 2500 pounds (whichever is greater).
