All prices are plus freight - Please check with us for freight costs.  
 Terms: Prepaid by Credit Card, Check or COD

Purchases of complete greywater recycling and rainwater harvesting systems shall include consultation with Brac Systems technical team and where possible additional support if required. CGW and RHW system holding tanks are not included and should be sourced locally or constructed in concrete on-site. The dimensions of the holding tanks must be provided to Brac Systems for programming of the water management system and construction of the level sensors and switches and is included in the system price.

Model	SGW Series - Semi-Commercial	Price
SGW-500		\$14,535
SGW-1000		\$14,685
SGW-1500		\$14,835
SGW-2000		\$14,985
Additional Holding Tanks		\$1,125

Standard SGW comes with single phase 230v.  
 Upgrade to Three Phase 230v/460v \$1249  
 Upgrade to 8L5T 72psi pump \$375

	<u>BRAC PUMPING STATIONS</u>	
LSP-300		\$1,799
LSP-400		\$1,999
SWK-250		\$2,790
SWK-500		\$3,990

	<u>BRAC PRESSURE TANKS</u>	
PT60L		\$214
PT80L		\$239
PT100L		\$275
PT235L		\$789

	<u>BRAC ACCESSORIES</u>	
BDD-30 Blue Dye Dispenser Unit		\$1,449
BracBlue™		\$19.90
BRAC 2" Pre-Filter		\$89
BRAC 3" Pre-Filter		\$189
BRAC 4" Pre-Filter		\$279
Replacement Filter RGW Cartridge		\$20
Replacement Filter CGW BB Type		\$159
Sand Filter		\$69
Pressure Reducing Valve (PRV) 2"		\$395
SRV Spring Return Valve for CGW or RWH		\$990
BG6 Grommet For 6" PVC SCH40/80 Pipe		\$24
BG8 Grommet For 8" PVC SCH40/80 Pipe		\$49
RPZA 2" Reduced Pressure Zone Assembly		\$899
GF2W 2" Actuated Ball Valve		\$900
GF3W 2" 3 way Actuated Ball Valve		\$1,200
GF4BV 4" Actuated Butterfly Valve		\$1,900
GF6BV 6" Actuated Butterfly Valve		\$2,000

**Terms**

Payment Terms - 50% due on order, 50% due prior to shipping.  
 No allowance for substantial completion.  
 All prices are Canadian dollars and do not include freight, applicable taxes or import/export duties or fees or handling charges. Shipping damage and loosening of parts from shipping are beyond our control. Please inspect all equipment on receipt and during installation to ensure proper connections. Brac Systems and its distributors or dealers assume no responsibility for delay of project in any circumstances including shipping damage, improper equipment or malfunctioning equipment beyond normal warranty repair. Verification that the listed equipment meets the specifications requested is solely the responsibility of the purchaser. Do not assume features or specifications are included unless specifically listed. In case of doubt, please confirm with Brac Systems staff. It is the responsibility of the purchaser to ensure all local code and certification requirements are met including electrical and plumbing certificates and to undertake any additional protections to ensure local compliance.  
 Brac Systems are supported through our distribution network. If the system is installed beyond the territory of our closest trained dealer, the warranty will be parts only and will not include shipping expenses or travel to the installation site.  
 Design work, on-site commissioning and installation services are not included in the price.  
 Shipment: Approximately 12-16 weeks after our receipt of approved submittals, please confirm at time of order.  
 All quotations valid for 30 days

*(Price includes factory installation)*

*(Cross Connection Control Device)*

*Price includes additional programming required for custom integration in SGW, CGW and RWH Systems.*

Rainwater Harvesting  
Commercial Greywater
