Mr. Robert Chapman

Dear Bob,

I wanted to take the time to thank you for the very professional work you and your crew did at the Klemm's Mobil, 1602 Elm Street, Manchester, NH. It is not often that write a letter to a vendor, but I wanted to let you know that I have received compliments from customers and employees alike.

Although we were somewhat skeptical of your energy saving claims, we have found greater savings than your savings model presented. Our actual monthly savings has proven this was a very good investment.

It was a pleasure to work with you and I look forward to converting our other properties to LED lighting in the near future.

Sincerely,

Thomas Klemm
