LED High Bay Factory Lights - Wholesale Prices

Item	Product Names	Image	QTY(pcs)	Unit price(USD)
1	LED High bay lights 160W with PC housing (12780lm)		1--4	\$504.29
			5--99	\$475.71
			100--500	\$461.43
2	LED High bay lights 120W with PC housing (9600lm)		1--4	\$475.71
			5--99	\$447.14
			100--500	\$432.86
3	LED High bay lights 160W with aluminium alloy housing (12780lm)		1--4	\$475.71
			5--99	\$442.86
			100--500	\$421.43
4	LED High bay lights 120W with aluminium alloy housing (9600lm)		1--4	\$461.43
			5--99	\$425.71
			100--500	\$407.14
5	LED High bay lights 80W with aluminium alloy housing (6400lm)		1--4	\$290.00
			5--99	\$271.43
			100--500	\$257.14
6	LED High bay lights 60W with aluminium alloy housing (4800lm)		1--4	\$275.71
			5--99	\$252.86
			100--500	\$230.00

Lead-time: 3 days for samples ,20~25 days for large orders

Payment: Prepaid

Warranty: 5 years (3 years free, 2 years - parts at lowest cost)

Electrical Safety: CE and UL Listed

Parameters for factory/warehouse lights 120/160W

Name	LED Factory/Warehouse Lights	LED Factory/Warehouse Lights
Input Power	120W	160W
Luminous Flux	9600 lm	12800 lm
Luminous Efficiency	65 lm/w	65 lm/w
Voltage	90VAC~277VAC	90VAC~277VAC
Current	300mA	400mA
Frequency	50Hz/60Hz	50Hz/60Hz
AC Power Factor	98%	98%
DC Power Efficiency	94%	94%
Field Angle	100°	100°
Color Temperature	6500K	6500K
Color Rendering Index	Ra > 80	Ra > 80
Light Source Life	50000h	50000h
Working Temperature	- 40℃ ~ + 50℃	- 40℃ ~ + 50℃
Working Humidity	10% ~ 90%	10% ~ 90%
Housing & Lampshade	Aluminium alloy+PC	Aluminium alloy+PC
IP Rating	IP20	IP20
Color	Silver gray	Silver gray
Size	Ø500X611(mm)(挂钩) Ø500X561(mm)(吊盘)	Ø500X611(mm)(Hook) Ø500X561(mm)(Sucker)
Package Dimension	560X560X585(mm)	560X560X585(mm)
Installation	Hook with a stick/Sucker with a stick	Hook with a stick/Sucker with a stick
G.W/N.W	7.6kg/3.2kg	7.6kg/3.2kg

Application

Underpass subway ,parking ,Station,wharf, Square,warehouse etc.

Product features

- ◎ High voltage, low current, energy-saving, environment friendly, healthy and saving money.
- ◎ With PC material ,glittering and translucent .
- ◎ It is available to hang it up with hook or hanging plate, as well as add pole between the lamp holder and hanging plate (or hook) per request.

LED High Bay Factory Lights - Specifications

90-277VAC 60W/80W/120W/160W

Applications: Factory Workshop, Warehouse, UTR Station, Industrial, Manufacturing, Gymnasiums, Arenas & Rinks, Distribution & shipping, Shopping Malls, Custom Applications. Etc

Product Description

LED High Bay lights benefit from the latest LED technology and our patented drivers that delivers high output and high power factor (>0.98). Simply replacing your existing MH 250W-400W and start to enjoy the benefits of LED technology, such as lower efficiency bill, reduced CO2 emission, and less maintenance cost, and no UV or IR-hassle free.

60W and 80W high bay lights

120W and 160W high bay lights

LED High Bays:

Benefits & Features

1. World first high voltage (>100V, 300V, 400V) small LED chips integrated LED light source.
2. World first columnar-structured aluminium heat radiator to dissipate heat from all directions.
3. Using high-voltage, both constant voltage and constant current devices features.
4. Using optical lens to improve the effective usage of light source to more than 70% and better light uniformity.
5. Compact structure and weights less than others.
The N.W of 160W High Bay light is only 2.5KG.
6. 50,000 hour lamp life.
7. 5 years warranty.
8. CE certificate, UL application.
9. Can directly replace 250W to 400W HIDs

Product Specifications:

- Input power: 60W
- Lamp Flux: 4800lm
- Voltage: 90VAC-277VAC
- LED Quantity: 8 pcs
- AC Power Factor: 98%
- Color Temperature: 3500K-6500K
- Color Rendering Index: Ra>80
- Beam Angle: , 120°
- Housing & Lampshade: aluminium alloy
- Size: ϕ 380×280
- N.W: 1 kg

60w LED High Bay

60W LED High BAY

Product Specifications:

80w LED High Bay

- Input power: 80W
- Lamp Flux: 6400lm
- Voltage: 90VAC-277VAC
- LED Quantity: 8 pcs
- AC Power Factor: 98%
- Color Temperature: 3500K-6500K
- Color Rendering Index: Ra>80
- Beam Angle: 120°
- Housing & Lampshade: aluminium alloy
- Size: ϕ 380×280
- N.W: 1 kg

80W LED High BAY

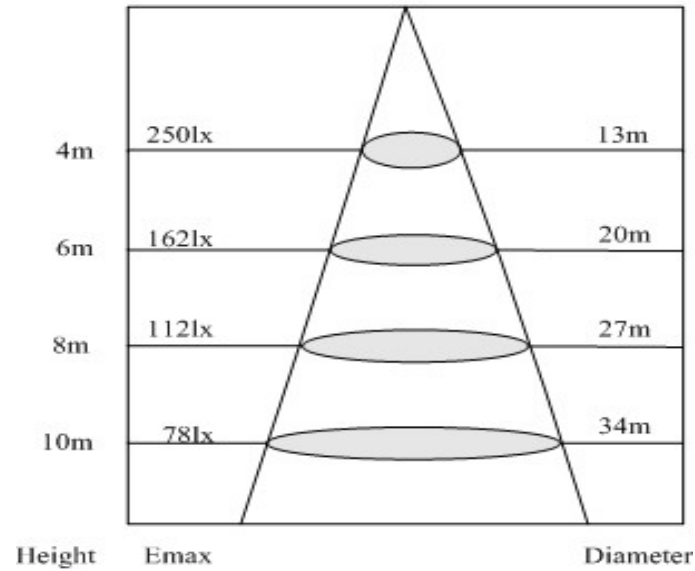

Product Specifications:

- Input power: 120W
- Lamp Flux: 9600lm
- Voltage: 90VAC-277VAC
- LED Quantity: 20 pcs
- AC Power Factor: 98%
- Color Temperature: 3500K-6500K
- Color Rendering Index: Ra>80
- Beam Angle: , 120°
- Housing & Lampshade: aluminium alloy
- Size: ϕ 509×362
- N.W: 2.5 kg

120w LED High Bay

120W LED High BAY

Product Specifications:

- Input power: 160W
- Lamp Flux: 12780lm
- Voltage: 90VAC-277VAC
- LED Quantity: 20 pcs
- AC Power Factor: 98%
- Color Temperature: 3500K-6500K
- Color Rendering Index: Ra>80
- Beam Angle: 120°/60°
- Housing & Lampshade: aluminium alloy
- Size: ϕ 509×362
- N.W: 2.5 kg

160w LED High Bay

160W LED High BAY

Packaging Details:

1.) Whole packing

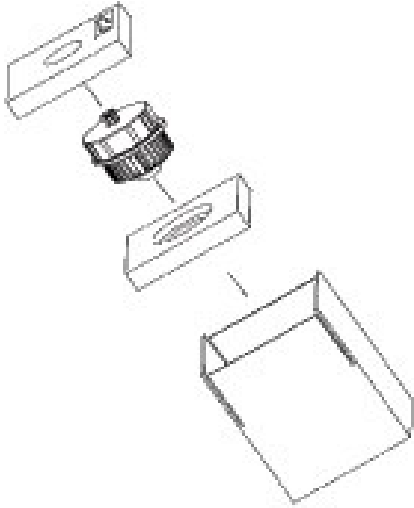

2.) Reflector and high bay light head can pack separately in order to save freight.

(3). packs the schematic drawing:

Lamp holder packing

Reflector packing

The lamp holder and lamp reflector can be packed separately in order to save freight fees as showing above.

Assembling specification of 19" LED high bay lamp(lamp holder)

1、Preparing for accessories and tools.

Accessories:LED lens lamp holder and lamp cup,extensible lamppost(self-provided),hanging scaffold(hanger

Tool:Screwdriver with a cross(self-provided),M3 sleeve

LED reflector lamp holder (back side)

2、Assembling

①Unscrewing four pieces screws in the lamphead.

②all the accessories after unscrewing

③putting the lamp cup in the lamp holder.

4、Putting on the transparent cover

⑤screwing the screws respectively the assembling finish.

3、Hanging

①Hanging with Hanging scaffold

②Hanging with Hook

③ Hanging with hanging scaffold and extensible lamppost

④ Hanging with hanger and extensible lamppost
