

U.S. MADE LED FIXTURES AND RETROFIT KITS WHOLESALE PRICES (UL AND DLC LISTED)

Retrofit Orders

- Engineering Fee of \$499 for 1st time retrofit order.
- \$199 production fee for orders totaling less than 10 pieces.

Beam Spreads

- Standard beam spread is 115°. Optional 80° beam spread available at no additional cost for HEX configurations.
- Beam spreads in Legacy Bulbs will vary by bulb.
- Custom beam spreads available at an ADDITIONAL COST. This requires a custom quote.

Distribution Types

- Standard distribution type is Type V.
- 20% adder per light for Type II, III & IV. These distribution types are only available in even LIN & HEX configurations.

Color Temperatures

- Standard color temperature is CW ~5700k.
 - ◆ *Optional color temperatures are: NW ~4300k (no additional cost) & WW ~3000k (20% adder per light)*
- 30% adder per light for custom color temperatures.

Warranty

- Standard warranty is 5 years for high lumen output bulbs.
- Standard warranty is 3 years for Legacy Bulbs.
- 10 Year Warranty available for a 40% adder.

Fixture Finish

- \$150 adder per fixture for custom colors. Lead Time for custom painted fixtures is 12 weeks.

Motion Sensors & Dimming

- Custom quote needed. Call for quote.

Freight

- Freight is included for all orders over \$2,750.
- If order is less than \$2,750, please add 7% for Shipping & Handling.

Estimated Lead Times

- Standard Jobs : Lead Time is 6 Weeks
- Custom Engineered Jobs : Lead Time is 12 Weeks
- Low Wattage Bulb Orders : Lead Time is 8 Weeks

4 Week Expedited Lead Time

\$0 - \$50,000 Order	3% of Order + \$300
\$50,001 to \$100,000	3% of Order
> \$100,000 Order	CALL FOR PRICE

2 Week Expedited Lead Time

\$0 - \$50,000 Order	6% of Order + \$500
\$50,001 to \$100,000 Order	6% of Order
> \$100,000 Order	CALL FOR PRICE

***** We cannot guarantee an arrival/delivery date. We simply provide an ESD (estimated ship date) as we do not have control over 3rd party shipping companies.***

Note on voltages:

All prices for fixtures and retrofit kits are 100 to 277V

For 347V or 480V add:

\$72.00, up to 150W

\$143.00 up to 300W

\$286.00 over 300W
