

Strand Woven Coconut Palm Flooring

Finish Specifications

All flooring is finished with German brand "Treffert" UV paint that possesses the excellent performance of high friction-proof and scratch resistant. The water-based, acrylic topcoat system is 100% environmentally safe and free of all harmful chemical compounds. All coatings are free of halogenated hydrocarbons, heavy metals, herbicides, pesticides, urea formaldehyde and any harmful emissions.

The first layer is anti-abrasive back coating.

The second layer is also anti-abrasive back coating.

The third layer is UV-sealer sandable back coating.

The fourth layer is UV-PU insulation back coating.

The fifth layer is anti-abrasive back coating.

The sixth layer is anti-scratch top coating.

The seventh layer is anti-scratch top coating.

The underside and both sides are sealed paint.

WARRANTY

LIFETIME STRUCTURAL WARRANTY:

The manufacturer offers to supply replacement flooring planks for any boards with defective bonding or separation within the laminated boards at no cost to the original end consumer. The manufacturer is not responsible for accidental moisture problems due to flooding from a dishwasher, toilet, bathtub overflows, etc. or problems developing from improper humidity level maintenance.

25/15 YEAR PRE-FINISH WARRANTY:

The manufacturer warrants that the aluminum oxide finish on our flooring planks will not wear through, crack or separate for 25 years in residential applications from the date of purchase and in 15 years for commercial applications. This warranty is for normal residential traffic provided that all preventative maintenance and care operations were maintained.

WARRANTY EXCLUSIONS:

Warranties do not cover indentations, scratches or damages caused by negligence, water, erosion, insects, spiked heel shoes. Failure to follow all we specific written installation instructions, improper maintenance (including the use of detergents, furniture, dusting, sprays, or any other cleaning and maintenance products), insufficient protection, misuse or improper alterations of the original manufactured product

No warranties applied to any products sold - **"AS-IS"**

The installation is the responsibility of the installer and client and is not warranted under this warranty. This warranty **DOES NOT** cover any incidental expenses including labor costs.
