Voltage: All Models are available in 12 volt DC, 24 volt DC, 110AC, or 220AC. Listed energy consumptions are for 12 volt units; 24 volt units use half the listed amp hours. Kwhrs are listed for AC units.

Colors/Wood: Additional \$225.00 charge for custom colors or wood veneers. **Standard color is White Laminate.** There may be an additional charge for some specialized colors and wood veneers.

Stainless Steel: Please call for pricing.

Terms: Pre-payment required . Production will not begin on custom colors/wood veneers/stainless steel until full payment is received.

Clearance: The doors are mounted on a continuous piano hinge. **It is important to allow an additional 3.75" width on the hinge side for the door to open. All units require minimum 8" clearance above to allow for heat ventilation.**

*Model RF19 : Choice of freezer on top or bottom.
