

Project Data Sheet Energizr Renewable Energy Storage

Project Information

Project Name: _____

Address: _____

City, State, Zip: _____

Dealer Information

Company Name: _____

Contact Name: _____

Application: Full Backup Partial Backup Off-Grid

Grid Available: Yes No Generator Available: Yes No

Energy Consumption

Average Daily Energy Consumption: _____ kWh Peak Daily Energy Consumption: _____ kW

Storage Requirement: _____ kWh Amount of Backup without Charging Batteries: _____ hours

Average Cost of Electricity: _____ \$/kWh

Describe the loads on the system and the wattage of each load: (ex. 10 lights at 60W each, 1 refrigerator at 800W, etc.)

Renewable Resources

Wind: Yes No Quantity of Zefrs: _____

PV Solar: Yes No Quantity of Panels: _____ Grid Tied: Yes No
Wattage of Panels: _____ Total Wattage of PV System: _____

Additional Information/ Notes

If possible, please provide the following:

Pictures of both the building and installation site

12 months of electricity bills
